WE LIVE ON SANTA CLAUS LANE!

How Lucky Are We?

Routes 7, 23, 28 and 20 offer a quick and convenient link from the malls and department stores to the small neighborhood shops and restaurants that bring such vitality, diversity and charm to our Sweet Home. At this time of year, we like to call them, collectively "Santa Claus Lane."

Unlike the often overcrowded and impersonal shopping centers of Albany, Utica and Binghamton, shopping along Santa Claus Lane offers a variety of activities and entertainment imbued with the warmth of small town neighborhoods engaged in the celebration of the season.

It is our hope that this guide will prompt your family's consideration of an unhurried trip along one of our scenic byways as an option to the drive to a distant city.

With an eye towards your family's entertainment, we have included a schedule of the events being offered in each locale.

As a way to assist in your discovery of the many merchants and activities on Santa Claus Lane we encourage you to visit our companion web site:

SweetHomeForTheHolidays.com.

Once on the web, you can take our Scavenger Hunt Quiz and perhaps become one of our fifteen winners of the wonderful prizes that have been donated by our sponsors.

Kids will enjoy the coloring page and puzzles we've included.

We've published this guide in the hope that as you discover the unique treasure that is Santa Claus Lane, you will consider shopping locally in the future.

So, use this guide to plan a Holiday shopping day trip, and enjoy the family entertainment that's offered along the way. Make a memory of it.

And remember... When you and your family shop locally, you enrich us all.
